The Autumn Miracle

Rejuvenate your fall garden with Scheepers' specially prepared strain of Autumn Flowering Crocus.

Blossoming three weeks after planting until the heavy November frosts. These lovely Crocuses with their glistening flowers of white, mauve, purple, blue or lavender have all the dainty freshness of the spring flowering varieties. *With minimum care the colonies of bulbs will blossom with ever increasing beauty each year and the reduced prices on this superior Scheepers' quality makes planting in quantity possible.*

Plant now in lawn, border, rockery, woodland, under evergreens or trees. Full planting and cultural instructions with each order.
